Board of Supervisors,

We are urging you to approve the Residential Vacation Rental Ordinance that the Planning Commission unanimously approved.

We no longer live in the area under consideration for the ordinance. We moved from Vineyard Dr. due to the commercialization with event centers, too many wineries and tasting rooms in such a limited area.

Please consider the full time residents and the impact Vacation Rentals have on the neighborhood. There are no restrictions on events i.e. number of guests, noise, hours etc. unlike wineries that have to apply for and be approved for such events. And the feeling of community is certainly affected by not having full time residents as neighbors. Vacation Rentals need to have some oversight and restrictions in order to save this area from even more commercial intrusion.

Sincerely,
Alison & John Denlinger
